

FES User Day
Astley Ainslie Hospital, Edinburgh
Friday 26th November
9.30am - 5pm

Please fill in the form below to reserve your place. We also invite 15 minute presentations on any aspect of the clinical application of electrical stimulation. Presentations may be of original research, clinical experience or of case studies. The aim of the meeting is to promote discussion and the exchange of ideas in an informal setting.

It is hoped to have sessions on the following areas:

Use of FES to improve mobility in stroke, MS, PD and spinal cord injury

FES in Cerebral palsy

FES in stroke upper limb

Electrical stimulation in conjunction with Botulinum toxin.

Facial palsy

Stimulator technology update

Please provide a 300-500 approx. abstract, which we will be made available on the day and will also be included in the winter addition of the FES Newsletter. Power point, slides, OHP and video will be available for your use. If using power point, please bring your talk on disk, CDROM or Zip disk so a single computer can be used. This saves time between presentations.

The cost of the meeting is £40. Please make cheques payable to the Medical Physics Trust Fund.
